Dear Comrades,

The BSNL Workers strike has been deferred after discussion and agreement with DOT and BSNL Management by about 2130 hours on 2nd December 2010. A copy of the agreement is enclosed herewith.

We congratulate the entire BSNL workers for the excellent and magnificent strike. It was a show of strength and unity. The call of the Joint Action Committee for strike to defend the BSNL and its workers was implemented at all levels with maximum participation. By the second day even the remaining workers joined strengthening the strike.

Many sister organizations gave solidarity and support to our struggle, for which we express our heartfelt thanks.

Our struggle against disinvestment and privatization will continue to ensure that BSNL continues as a fully pledged PSU in the service of the nation and the people.

Our demands such as 78.2% IDA pay fixation, Pension revision, ITS Absorption etc. though not settled, have been put on a fast track, which we will pursue with determination.

This Magnificent Strike is a Shining Star in our Forward March. Let us continue our sustained struggle to protect and strengthen BSNL and to protect the best interests of the BSNL Workers.

With Revolutionary Greetings,

Yours Fraternally,
