

NFTE's LAME DEFENCE – IGNORANCE, CONFUSION OR CONCOCTED LIES?

NFTE has no defence for their many anti-worker and pro-management agreements for reduction of staff, VRS, ban on recruitment, reduction of vacancies etc.

Now they want to defend themselves somehow. But since there is no factual material for defence, they have turned to utter lies. Is it because of their ignorance of history or confusion or they want to concoct utter lies. Only a few examples will suffice.

1. NFTE has stated that as Assistant General Secretary of NFTE, Com. V.A.N. Namboodiri has worked a long time at HQ. First Com. Namboodiri was not AGS of NFTE, but only that of E-III Union. He worked only a few months at CHQ, since Com. O.P. Gupta, General Secretary did not want him at HQ.
2. It is stated by NFTE that Com. V.A.N. Namboodiri got promotion through 1/3 quota examination. He neither appeared in 1/3 quota examination nor got promotion in 1/3 quota. In fact he was denied even regular promotion for a long time due to victimization for union activities.
3. The fact is that NFTE cannot deny any of the allegation made by BSNLEU. It is to be noted that Coms. V.A.N. Namboodiri, Moni Bose and other comrades resigned from All India Posts protesting against NFTE's anti-worker agreements and contested in the All India Conference of E-III union at Bhopal and defeated O.P. Gupta and his team.
4. BSNLEU invited NFTE to participate in wage revision. It is only its insurances that NFTE also should be allowed to sign agreement along with representative union that resulted in its loss of chance to participate.
5. FNTU lost its chance to participate by its desertion of United Forum.

**FACTS ARE FACTS AND CONCOCTED LIES CAN
NEVER REPLACE THEM.**
