modification regarding**
Ref: This office letter of even number dated 24th July, 2009

In partial modification of the minutes of the 21st meeting of the National Council held on 23rd June, 2009, released vide this office letter of even number dated 24th July, 2009, Para 15.11 of the minutes may be read as –

"15.11 Reduction of service condition to appear for 35% quota in the LDCE promotion to JTO - The Staff side mentioned that to appear for the JTO LDCE, 10 years' qualifying service is prescribed under the RRs. Normally, the qualifying service under LDCE is less than the service required for promotion in the normal course. In order to rectify the position, the Staff side demanded that RRs be suitably modified. Management side informed that promotion is only by way of LDCE and not in the normal course. Moreover, this issue has earlier been taken up by the Staff side and a proposal for reduction in eligibility condition to 7 years was placed before the Management Committee, but the same was rejected. After elaborate discussions, the Chairman agreed to take up the issue again with the Management Committee for a review, for reduction of eligibility condition to 7 yrs."
