

## **BEWARE OF BETRAYERS**

As all BSNL employees are aware BSNLEU and United Forum of BSNL unions are waging a battle for getting a good wage revision for non-executive employees. Since the reasonable and justified demands are not accepted by management the United Forum leaders walked out from the wage revision committee and has served notice on the management for two days strike on 19<sup>th</sup> and 20<sup>th</sup> May 2009.

In between, the management issued arbitrary orders for grant of adjustable advance of 4 months pay, which is far below than demanded by BSNLEU & United Forum. A spontaneous protest of walk-out from duty/offices and a massive hunger strike in front of Bharat Sanchar Bhawan, Corporate office of BSNL, on 4<sup>th</sup> May 2009 was a complete success. The issue of arbitrary orders was a conspiracy between management and leaders of certain unions.

Now the same dark forces have started a signature campaign at the behest of management. They are circulating a representation addressed to CMD BSNL (of course prepared by management) to the non-executive workers asking them to sign it accepting the offers given by the management on wage revision. These union leaders are trying to mislead the workers stating that the offer given by management is good and there is no necessity for five year agreement and fitment equal to top executives as demanded by BSNLEU. Meet each and every worker and expose these agents before the workers. Betrayers will not be allowed to spoil the future of BSNL workers.

**Organize massive campaign against this management –  
betrayers conspiracy!**

**Prepare for the 19-20<sup>th</sup> May 2009 strike.  
Make it a great success.**
